Support the March of Dimes by bidding on our Wine Dinner offered as a Live Auction Item, Wednesday, November 17

The Duck – ...nobody does it better!

The Duck, the lake's premier wine restaurant known for our multi-course wine dinners will delight the triumphant bidder with a dinner for 8 to remember! Chef Chris and his culinary staff will prepare a delectable 7-course dinner with each course to be paired with wines from our Wine Spectator and Wine Enthusiast award-winning cellar. Mark (our resident expert and customer declared sommelier) will

choose **five** wines from our cellar of over 180 well known and boutique wines. As a special treat, you'll enjoy **two** additional cellar aged wines from Donna and Mark's personal wine cellar, some of which were sought out on wine buying trips during their years living in Europe before they had any idea they would one day own The Duck!

So round up your friends and make this your dine-out event of the year and should you have a friend who's not up for wine we make some of the best Martinis and Manhattans in town. And there's always a Port with dessert, espresso or cappuccino and then to finish your extravagant dinner our own housemade Limoncello digestive

to bring back those memories of Italy at the end of the evening. What more could you ask for great food, great wine, limoncello and a view like none other— Dinner and Wine for 8 at The Duck and like the song goes "**Nobody does it Better**"!

Let us schedule this grand event with you at a mutually agreeable date (holidays and weekends excluded). Gratuity not included.
